

Savage Forest Enterprise Inc. is a well-established, progressive tree care company offering residential tree care and forest restoration in the greater Mount Desert Island, Maine area. We are looking for State of Maine licensed Arborists and Grounds Crew members to join our team.

Job Responsibilities (Arborist):

* Work as a highly effective team member, performing all aspects of tree pruning and removal services in a safe and professional manner. Such tasks may include:

- * Pruning, thinning and removing deadwood throughout the tree canopy
- * Installation of cables, bracing and lightning protection systems
- * Removal of hazardous trees

* Safely operate and maintain all tools and equipment including chainsaws, chippers and aerial lifts

Licensure:

- * Arborist license
- * Valid driver's license
- * Maine CDL a plus

Job Responsibilities (Grounds Crew):

* Assist arborists and other grounds crew members with all aspects of tree care and removal which may include operating equipment such as chainsaw, chipper and leaf blower, etc.

Licensure:

- * Valid driver's license
